

Math 105-20 Summer Term II
Quiz 3

Name: _____

You have 5 min to complete this quiz, no quiz will be accepted after that time.

1. (*25 points*) You put \$100 into an account. The bank gives you \$150 back at the end of the account, how much interest did you make?

HINT: Use the formula $I = F - P$ where $F=150$, and $P=100$
