Very fun and engaging instructor, very passionate about the studies.
Great at engaging students.
Jacob is awesome! He is going to be a great Math teacher.
Overall pretty good but on quiz days material was rushed which contributes to my comment to extend the time.
Made sure the whole class understood what was being explained
He is a very good teacher and explainer as well. He always asked what we wanted to go over and explained it until we got it, which was awesome! He was funny and made the atmosphere enjoyable as well.
